PUFFS

A series of products with a brittle crunchiness: overlapping layers of fragrant puff pastry to compose exquisite delicacies. Arca's puff pastries are a variety of sweets that are the fruit of the passion of those who, with expert skill, transfer the flavors of ancient craftsmanship to products whose goodness and genuineness evoke the unmistakable taste of times gone by: a triumph of flavors worthy of the best traditions of Italian pastry making.

SNACK

The fragrance and crispness typical of Italian-style fried foods. Arca offers the pleasant savoriness of timeless products such as calzones and croquettes. Each delicacy in the range keeps intact the momentum and surprising taste of the best traditional genre recipes. Giving in to these little masterpieces already cooked is like entering a universe of flavors whose inevitable explosion cannot help but satisfy even the most demanding palates.
